

Yangon International School

Admission Guide

Application forms and other required information for admission are included in this packet. Please note that these may vary depending on the grade level of the child. You should complete and submit the application form, along with all other required forms and related documents to the YIS Admission Office.

Applications are accepted at any time. To enroll in August, applications should be submitted between February and May of the previous school year.

Your application will be considered complete and ready for review once all application forms, supporting forms and documents have been received and the applicant's initial screening has taken place.

Application Materials

YOUR COMPLETE APPLICATION INCLUDES THE FOLLOWING ITEMS:

1. Completed forms:

- ✓ Application
- ✓ Student development history

Important Information*

- **Final acceptance and admission** to YIS will be based upon **age**, previous **academic records**, **screening results**, and a review of all available information. Each student will be considered on an individual basis. The school will make every effort to place siblings who are each individually qualified for admission as vacancies allow.
- **School hours** are as follows:
 - Early Childhood: Half Day-8:00am-11:00 am or 12:00pm-3:00pm, Full Day-8:00am-3:00pm
 - Elementary 8:00am-3:00pm
 - Middle and High School: 8:00am-3:00pm
- Applying to and enrolling at YIS will require parents and students to agree to all school policies and procedures outlined in the YIS **Elementary and Secondary Student/Parent Handbook**.
 - Policies include academic, behavioral, dress and appearance, and extracurricular expectations
 - YIS students are expected to present themselves well. Appearance or dress that is considered distracting, disruptive, or inappropriate by local standards is not acceptable. Administration will determine what aspects of appearance should be changed and recommend the necessary changes.
- **The English as an Additional Language (EAL)** program serves the needs of students who are non-native speakers of English and whose English language skills fall below their current grade level; however, students admitted to YIS must be able to participate at grade level with moderate ESL support. Families will be contacted if the academic staff determine that a student would benefit from ESL testing and support.
- YIS does not have a **special education** program, so students with identified learning problems are generally not accepted. It is very important that parents of a child who has received special services, or parents who believe their child may need support, disclose to the school as soon as possible in the application process.
- The family arranges all **transportation** to and from school.
- Students bring **lunches** to school. We encourage students to bring healthy, nutritious items that will provide energy throughout the school day. Most elementary students bring a **snack** for their morning recess. There is a snack bar on the main campus.
- The **school uniform is required** for attendance. The day uniform and P.E. uniforms may be purchased at the Uniform Dispensary at YIS. Students may wear their own black shoes. Uniform purchases are separate from school fees.

**Further policies and procedures are included in the Elementary and Secondary Student/Parent Handbook.*
